

The FARM TRIBUNE

VOL. V—NO. 14

Published Weekly at Porterville, California

Thursday, October 4, 1951

FORTY-SEVEN members of the Tulare County Cowbells discussed plans for the year and enjoyed a musical program at the first meeting of the fall season last Saturday noon at Gang-Sue's Tea Garden in Porterville. Directors, shown above, left to right, are: Mesdames George Hinkle, Orosi; John Guthrie, Porterville; F. R. Farnsworth, White River; Clyde Carlisle, president, Porterville; Paul Morris, Hot Springs; Kenneth Beck, Tipton and Flores Evans, Tipton. Program included vocal numbers by Darlene Weaver and Judith Hensley, accompanied by Betty Althouse, and accordion selections by Reynold Rutledge. Chairman of table decorations was Mrs. George Carter, Visalia; program chairman was Mrs. Ralph Jones, Porterville.

John Dennis, Frances Wilson Tulare County Achievement Winners In 4-H Competition

By John A. Emo
Farm Advisor

Frances Wilson, Burton 4-H Club, and John Dennis, Ducor 4-H Club, were named Tulare County Achievement winners in the National Awards Program recently. They will compete with achievement winners from other counties in the state for state-wide honors later this month.

Frances Wilson, twenty-one year old daughter of Mr. and Mrs. Lowell Wilson of Porterville, has completed twelve years of 4-H club work. She is now attending San Jose State. She has carried a clothing project each year which has grown in size and scope. This past year she made more than thirty articles of clothing in her 4-H project work. Total cost of all garments made during her twelve years of 4-H work was approximately \$2,000.

Frances has an outstanding leadership record. Last year she was the State girls' winner in the leadership contest and was awarded a gold watch by Edward Foss Wilson, president of Wilson Co., Chicago. She has been a junior leader in the Burton 4-H Club for the past four years and was a clothing leader for three years. She was 1949 Tulare County 4-H All-star girl. She graduated from Porterville Junior College last spring and was president of the student body. She has been active in 4-H camp each year serving as counsellor this year and assistant director last year. She has served in every office from president through reporter in the Burton 4-H Club and has given numerous demonstrations on 4-H club work. Frances was president of the Methodist Youth Fellowship and has been active in other school and community activities.

John Dennis has completed nine years of 4-H club work. Son of Mr. and Mrs. Wilbur Dennis, he is presently employed on his father's ranch east of Ducor. Each year John has fattened out several steers. The past two years he has kept records on his beef breeding herd of more than thirty head of

cattle. His net profit for his nine years of project work has totaled approximately \$12,000.

John has exhibited at the

Dickie Wilson Receives County Clothing Award

By William R. Sallee
Farm Advisor

Showing outstanding achievement in her 4-H project, Dickie Wilson of the Burton 4-H club, has been named to receive the County Clothing award. She will be presented a gold filled medal of honor November 6 at a leaders and national awards recognition council meeting in Tulare.

Her record has been sent to the University of California, Berkeley, where she will compete in state-wide competition for an educational trip to the 30th National 4-H Club congress in Chicago.

Miss Wilson was selected by a committee of 4-H clothing leaders on the basis of outstanding construction in her clothing project. There were other factors considered in the selection such as leadership, demonstration, and her participation in all phases of 4-H work.

She was named county all-star last year and went on to be named one of the four California Diamond Stars. This award was a trip to Washington, D. C. to visit the National 4-H Club camp. After returning from Washington she was one of the junior directors of the 1951 State 4-H Club Convention.

Miss Wilson is now a student at San Jose State college and has completed 10 years of 4-H work. She was vice-president of the Senior 4-H club last year; has been active in camp supervision at 4-H summer camp at Whitaker forest; attended 4-H conventions at Davis 1946 and 1947, and has won many blue ribbons at county 4-H fairs through the years.

BURTON 4-H JUDGING TEAM WINS AGAINST VALLEY CLUBS AT FRESNO

Burton 4-H dairy judging team took first place in competitive judging at last Saturday's Holstein-Friesian sale in Fresno, beating out other 4-H judging teams from throughout the San Joaquin valley.

Winning team members were: Don Warnock, who also was high individual; Bob Stevens and Mer-

rill Castle. Coach of the team is Chester Gilbert, prominent southeastern Tulare county Jersey breeder.

Team award was a \$50 scholarship; Warnock received a cup as individual winner. Placing among the top 12 individuals also was Wesley Weisengerger, of the Burton club.

GYMNASIUM DEDICATED TO LIGHTNER

By Dick Berryhill

Strathmore's new high school gymnasium was dedicated to D. R. Lightner, superintendent of Strathmore high, in a brief ceremony held Friday evening between halves of the Strathmore-McFarland football game, with patrons of the school district given a chance to visit new Strathmore high school buildings during an "open house" following the ball game.

Oliver Rogers, president of the school board, in announcing the gymnasium dedication, said: "In appreciation for the work which you have done for the youth of this community we wish to dedicate the new gymnasium to you. A suitable plaque will be erected marking that building as the 'D. R. Lightner Gymnasium.'"

Mr. Lightner, when introduced, gave a rundown of the cost of the new school and the source of the money. The total cost of all of the buildings which included the new gymnasium used for the first time last week was \$653,215.00. Of this amount the district contributed \$283,817.00, while \$369,398.00 was allocated by the state to complete the project.

Donald Baird, clerk of the school

Condemnation Trial Date May Be Set Oct. 15

With Sinarle interests this week answering condemnation action filed against their property on west Olive street in Porterville by the Porterville Veteran's Memorial district, it is probable that date of the condemnation trial will be set for October 15, when other Superior court trial dates are set.

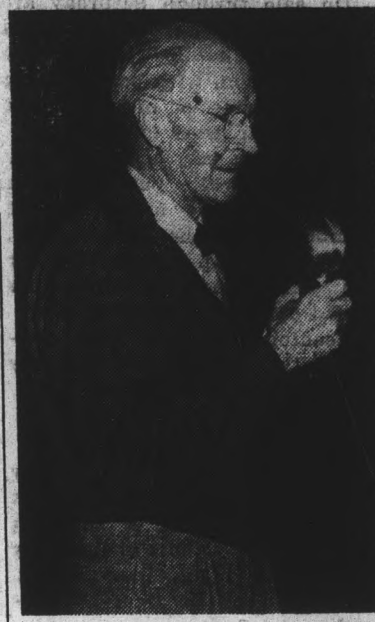

At a meeting of the Memorial board Monday evening, consideration of possible building sites, other than Sinarle property, was postponed pending a report from County Planning Engineer Earl Ingram.

Clyde Simpson, representing a committee from Springville, told board members, Monday, that the community is "100 per cent in agreement" on location of a memorial building and on type of building. The board adjourned the Monday meeting to October 25, when it is expected action will be taken on an option now held by the Memorial board on Dillon Wood property in Springville — an option that expires October 30. Meanwhile, Mr. Ingram will be asked to hold a public hearing concerning the Springville building location.

SADDLE CLUB RIDES AT DELANO

The Orange Belt Saddle club will represent Porterville in the colorful parade that will feature the October 6 program of the Delano Wine and Harvest Festival, the parade slated for 10 a.m.

The three-day celebration at Delano, October 5, 6 and 7, will also include a Rodeo, under direction of Cuff Burrell, October 6 and 7; vaudeville, featuring Hilo Hattie, October 7; a junior livestock show, football, fireworks and a carnival. A square dance exhibition, with some 600 dancers, is also a feature of October 6, at 8:15 p.m.

D. R. LIGHTNER, Strathmore Union High School superintendent, expresses his appreciation, following announcement that the new Strathmore high school gymnasium had been dedicated to him. The announcement was made by Oliver Rogers, president of the school board, during brief ceremonies between halves of last Friday night's football game in which Strathmore beat McFarland.
(Farm Tribune photo)

Kiwanis Kapers Will Entertain For Charity Fund

An entertaining show, featuring singing, dancing and skits, is promised by members of the Porterville Kiwanis Club when they present their annual Kiwanis Kapers the evenings of October 9, 10 and 11, in the Porterville high school auditorium.

All funds raised by the show go for charitable purposes, Kiwanians having spent already this year over \$1,000 for glasses, dental work and medical care for needy children.

A cast of 120 people will perform in the show, including Donald Knight, Mel Price, Eldon Hunt, John Vaznaian, Carmel McIntyre, Marcella Gamble, Ann Lumsden, Norma Montijo, Pauline Aldridge, Earl Hodgson, Lawrence Wells, Howard Brittell, Ralph Aldridge.

Bob Mishler, Jack Norman, Jack Darcy, Eileen Robbins, Carolyn Simonie, Bill Garrison, Harold Smith, Jane McKinney, Monty Hodgson, Glen Howard, Gang Sue, Everett Havens, Bill Propp, Melvin Frasher, Howard Jensen, Walt Corbin, Bill Alexander, Hillis Fees and a number of others.

Music for the production will be provided by the Porterville Elks band; production is by Joe Bren, of Hollywood; director is Don Hubler, also of Hollywood.

PRAIRIE CENTER TO PLAN PROGRAM

Commodity representatives to Tulare County Farm Bureau committees will be named at a meeting of the Prairie Center Farm Center to be held tomorrow evening, Friday, at 8 o'clock in the Sunnyside school.

Calvin Hilty will outline 1952 membership plans and Farm Advisor Ralph Worrell will speak on "New Seed For Tulare County." Refreshments will be served.

Bureau Picnic

Annual picnic of the Tulare County Farm Bureau will be held Sunday, October 7 in Sections 7, 8 and 9 at Mooney Grove, with barbecued meat and coffee to be served at 1:30 p.m. Persons attending are to bring their own picnic lunch and table service.

CLOUD SEEDING IN BALANCE

Whether or not cloud seeding operations are conducted this winter in the southeastern Tulare county area and northern Kern county area seems to hinge on one thing — money.

At a meeting of ranchers in Ducor last night opinion expressed was that cloud seeding should be continued, and the more than 20 present made out checks on a basis of their acreage, and agreed to contact other ranchers.

However, directors of the Southern Sierra corporation, the non-profit group that was formed last year to handle cloud seeding operations, state that unless the entire amount of a cloud seeding contract — \$18,000, is on hand by November 1, a contract will not be entered into.

Deal for the 1951-52 season calls for a minimum contract of \$18,000 to cover 180 hours of flying time over a period of six months. Actual cloud seeding would be handled by the Precipitation Control company of Arizona.
(Continued on Page 8)

College Football Takes Spotlight Friday Night

Southern Tulare county fans will get their first look at college football tomorrow night, Friday, at 8 o'clock, when Coach Dino Spigarelli fields his Porterville College Pirates against a strong Coalinga Falcon club on the Porterville turf.

The contest rates as a toss up, however, the Pirates have showed considerable strength in beating Citrus college in their opener and in taking Oceanside 26-12 last week.

The visitors from the oil city, undefeated league champions last year, beat Cal Poly JVs 28-0 and will start a line that averages 190 pounds ahead of a 170-pound backfield.

Two Pirates are on the injured list — Paul Bergen, tackle, who may see some action, and Ted Dixon, who is definitely out of the game, with an elbow sprain.

Probable starters in Coach Spigarelli's split T offense, will be Phil Show and George Silvester at ends; Gus Youngberg, Everett Snow or Bergen at tackles; Roger Brown, Bob Taylor or Bill Mayes at guards, Alva Henderson at center; Gary Hill and Steve Gilwitz at halves; Tony Prandini at quarter and George Rosales at full.

Defense linemen include Glen Stadtmiller, Youngberg, Mayes, Taylor, Henderson, Silvester and Show, while starting defensive backfield will be made up of Hill, Clifford York, Johnny Pein and Gordon Skeels.

Under the direction of Spigarelli and assistant coach, Lee Angelich, the Pirates are shaping up as one of the best clubs that Porterville college has had, featuring the running attack from the split T.

Sportsmen To Meet

Directors of the Southern Tulare County Sportsmen's association will meet tomorrow night (Friday) 7:30 o'clock at the Porterville Elks lodge to discuss plans for the organization's annual turkey shoot that will be held November 11 at the Porterville Municipal airport.

DR. E. C. CALAVAN and DR. HENRY SCHNEIDER, of the University of California Citrus Experiment station at Riverside, recently visited Tulare county in connection with their work in developing a lemon strain less susceptible to disease, better producing and longer lived.

Ladino clover seed crop is estimated this year at 10,120,000 pounds, up 26 per cent over last year.

TICKET CAMPAIGN OFFERS BARGAIN AT BARN THEATRE

On sale through Saturday are books of six tickets for Barn theater productions during the coming season, with books selling for \$5, a reduction of 20 per cent over regular Barn prices.

The tickets may be used at any Barn play, while purchase of a book also includes a free 1951-52 membership in the Barn theater. The tickets can all be used for one performance, or their use spread out over the coming year.

Heading the ticket sales campaign, that opened last Saturday night, is Mrs. F. L. Weins.

HUNTERS GET ELK

Dr. Clifford Burt and Burney Schuler both brought back an elk this week following a hunting trip in Idaho. Others in the party were Elmer Long, Jesse Eckles, Bud Wiley and Dr. George Tannlund.

F. R. WILCOX assistant general manager and treasurer of the California Fruit Growers Exchange, has been appointed a director of the Central Bank for Cooperatives for a term of three years.

JESSY ALEXANDER CHAMBERLAIN, son of Mr. and Mrs. R. T. Chamberlain, Earlimart, has enlisted in the U. S. Air force and is taking basic training at Lackland Air Force base in Texas.

PIETER A. SPOELSTRA, Dutch horticulturalist, is now visited the University of California college of agriculture to study methods of frost protection for fruits and vegetables.

RALPH JONES, Porterville, has purchased eight head of registered Shorthorn heifers from California Polytechnic at San Luis Obispo. He took delivery of the heifers this week.

Ronald Humphrey Shows Running Power As Strathmore Spartans Beat McFarland

By Dick Berryhill

Scoring in three of the four quarters, the Strathmore High School Spartans racked up an 18-7 victory over the visiting McFarland Cougars last Friday night.

The Spartans scored on the second play of the game after recovering a Cougar fumble on the visitors' 25 yard line, when Fullback Ronald Humphrey, who was outstanding for the Spartans on both offense and defense, hit the line for five yards and the next play Jim Gaines, veteran halfback took a handoff, went through the line, cut toward the sidelines and went the last twenty yards for the first touchdown.

The try for point by Humphrey was blocked. In the second quarter Humphrey, Bill McCowan, Gaines, Tommy Hirabayashi and Ronald Goings united in carrying the ball in a sustained drive to the McFarland 13 yard line from where Gaines once more went over for a touchdown. Humphrey's try for conversion was blocked and the half ended 12-0.

McFarland came back to score late in the third quarter on a pass play good for 40 yards from Douglas Hanes to Roger Tuberville. Hanes carried the ball over for the conversion. The Spartans' final score came in the last period after a Cougar fumble was recovered on the 30 yard line. A pass Ronald Goings to Roy Britt went all the way for six points.

Humphrey's try for point was again blocked.

Strathmore was the work of Eddie Reid, guard, Jay Collier, tackle, and Herbert Reynolds, end.

Coach Phil Lindgren's lightweight showed power at times to win with ease over the McFarland B's by a score of 26-13.

Friday night Strathmore travels to Shafter to meet the Generals in the second practice game of the year.

MRS. GEORGE VUREK and MRS. LENORE CRANE, from Contra Costa county, were recent visitors at the Springville hospital to study the rehabilitation program being put into operation there. Both are members of the Weimer Tuberculosis sanatorium.

HARRY PERRY, Tulare county supervisor from Tulare, has been elected to the board of directors of the County Supervisors Association of California.

GIANT SEQUOIAS PLANTED IN JAPAN TO MARK TREATY

To commemorate the recent signing of the Japanese peace treaty, Giant Sequoia seeds from the University of California Whitaker Forest field station will be planted in various spots in Japan.

Robert A. Cockrell, professor of forestry, and Woodbridge Metcalf, extension forester, collected and presented the Sequoia seeds to Muneyoshi Tokugawa and Naoto Suzuki, members of the Japanese Diet and signers of the treaty.

Tokugawa, prominent forester in his country before being elected to the Diet, is still very much interested in forestry problems. Following the signing of the treaty he visited Muir Woods with Cockrell and Harold Wise and Charles Kraebel of the U. S. Forest service to study the big trees first hand.

KOREA VETERAN VISITS BROTHER IN PORTERVILLE

Lt. Wilbert Maples left Porterville, last week, after visiting at the home of his brother, Homer Maples, enroute from the Korean battle front to Ft. Benning, Georgia, where he will take a 15-week officer training course.

Lt. Maples, who earned a battle-field commission in Korea, was in Japan when the Korea fighting started and was among the first sent there. At that time he was a noncommissioned Infantry officer.

A veteran also of the Philippine campaign of World War II, Lt. Maples states that fighting is tougher in Korea than anything he encountered in the south Pacific. Terrain is really something to contend with and, during winter months, snow up to three feet in depth, and extreme cold, are the usual thing.

He says that plight of refugees is pitiful — that American forces do all they can to aid refugees, but that they just can't take care of the civilian population and fight a war too.

Prior to going into Korea, Lt. Maples served on the staff of General Douglas MacArthur in Japan as a building inspector. He has been in the army eight years, spending seven years overseas.

Premium money won by Porterville Future Farmers at the 1951 Tulare county fair totaled \$850.

Strathmore News

By Dick Berryhill

Reopening of the big Strathmore Ripe Olive cannery was announced this week. Taking over the operation of the plant is the Central Valley Olive company with Leo Masselli as general manager. The plant is now being readied for the fall season.

The Strathmore chamber of commerce and Lions Club booth at the Tulare County Fair was awarded sixth place in the display competition. Numerous awards were won by the individual entries.

Introduction of teachers to parents was the main object of the first P.T.A. meeting of the new term at the Strathmore Elementary school last week. Musical entertainment was furnished by Mrs. Watson Clausen of Porterville who sang several songs accompanied by Mrs. Eunice Wilcox at the piano. Presiding over the affair was Mrs. Mildred Fink, P.T.A. president. Acting as hostesses of the evening was the executive board.

A visit to Howard Frame's dahlia garden was part of the program for the sixteen members of the Strathmore Garden club at their recent meeting. Before going to Porterville the group met at the home of Mrs. Marilyn Stark for a business meeting conducted by president, Mrs. Henry Fick.

Addition of street lights to the Stark subdivision section and other parts of Strathmore have just been completed by the Edison company. This work comes under the authority of the board of supervisors, as Strathmore is an unincorporated area. The county is also in the process of recolling the roads in and near town.

Work is progressing on the new Frazier Valley highway with the new roadbed several yards north of the present highway making use of an old railroad right of way in order to make a wider road. In places where the old highway is being used it is being resurfaced thus making a fine road for people Springville bound, when the work is completed.

JACK SMITH has been elected president of the Lindsay Kiwanis club.

THE OLD DAYS

From miscellaneous files of pioneer Porterville newspapers, provided through the courtesy of Howard J. Frame, Porterville.

PORTERVILLE ENTERPRISE July 6, 1894

PLANO

Mrsrs. L. N. Hinton, E. S. Robertson, Frank Sorrels, Chas. Spring and wife, Mrs. Scott, Misses Josie Scott and Tena Ball made a fishing tour up in the foothills last week. All enjoyed themselves hugely. Fishing was the program of the day; the evenings were spent round great bonfires.

The last evening a conglomerate contest was given in which song and oratory were both on deck. Mr. Hilton, having strained his vocal organs telling a bear story, was permitted to turn somersaults instead of speaking or singing. He took the prize.

COHO CULLINGS

Frank Rogers has not been feeling well for the past three weeks. Cheer up old man, the Republican party will win the day yet. (? Ed.)

Mrs. Stella Brown has just returned from a visit to Mrs. Lula Docstadter.

Mrs. Mary Pervine and daughters of Farmersville, are the guests of Mesdames Alma and Johnny Hall.

Misses Alice and Belle Rogers spent the Fourth of July at Moles grove near Poplar.

PORTERVILLE

Among those who returned from the Midwinter Fair last night we noticed Miss Lennie Hockett, W. Gardner, M. Glick and wife, R. H. Mahaffey, John Gerhardt, H. B. McDonald, M. F. Murphy and wife and William Thomson, wife and daughter of Tipton.

Go to Ting's restaurant for the best 25c meal in town.

A few of Capt. Hayes' mules and horses, about 300, broke out of the mountain pasture on the Tule last Sunday and they came flying through Porterville, going back to the old ranch. About 50 failed to return, but the Captain thinks he will find them.

The first issue of the Daily Enterprise contained the greatest amount of telegraphic news of any paper in the interior. But Sudden Death. Died for lack of patronage: The DAILY PORTERVILLE ENTERPRISE, aged, two days. "If I was so soon to be done for, what was I begun for?"

Louis Pohlman is the agent for the genuine Cutter whiskey, the best in town, at \$4 a gallon.

A stage line has been established between Porterville and Sacramento, the two most important points in the state.

Mr. May, from the Tule River hills, says that the wind storm a few days back blew down great quantities of acorns, in fact, injuring that crop very materially.

With trains all tied up by the railroad strike, the Porterville Flyer is the only train on the Division that is running. Last night she went on to Poso to fetch back the fireman and brakeman, who were tied up at Bakersfield on train No. 19, the train that left Oakland Saturday and brought down the mail. The Porterville train is expected to arrive on time tonight; it is rumored that a train left Oakland this morning for Fresno with mail. Ed Wright is

the engineer on the Porterville train.

Louis Weber and J. A. Sayers left Wednesday for Mountain Home.

R. F. Roth, Democratic nominee for district attorney, was in town, Sunday.

THE FARM TRIBUNE October 10, 1947

The possibility of holding periodic pure-bred stock sales in the Porterville community, and estimated cost of facilities, will be investigated by members of a committee named Wednesday evening at a meeting of ranchers and business men held in the Porterville city hall.

Named on the committee were: Freeland Farnsworth, Cyrille Faure, Rolla Bishop, Earl Mortenson, Joe Menne, Vernon Gill, Chester Gilbert, Victor Bowker, Herman Vossler and M. L. Grimsley.

Officially opened this week was the Ducor cutoff from Ducor south into Bakersfield.

A whiskerino contest will be a feature of the 29th annual November 11 Homecoming celebration.

Camp Fire Field Director To Speak

Mary Fiedler, field director, will speak at a Camp Fire Council meeting to be held Friday, October 5, 7 p.m., at the Olive street school cafeteria. The meeting will open with a potluck supper; persons attending are asked to bring their own table service.

Farm Tribune Ads Pay.

Army To Induct 94 Men From County During October

The 6th Army delivery schedule for induction for the month of October 1951, for this area, has been received by M/Sgt. Albert J. Robinson, Porterville U. S. Army and U. S. Air Force recruiting sergeant. The schedule is as follows:

11 October, 1951	32
18 October, 1951	31
25 October, 1951	31
TOTAL	94

Along with this news comes the announcement that those persons having received their preinduction examinations will be eligible to volunteer for enlistment in the U. S. Army and U. S. Air Force until such time as they have received their notices to report for induction.

Further information concerning the induction schedule, for this area, may be had by contacting M/Sgt. Robinson in room 6, Post Office Building, Porterville, California or by phoning 1234 Porterville.

HAROLD DOUGLAS, son of Mr. and Mrs. Glenn R. Douglas of Earlimart, has enlisted in the U. S. Air force and is taking basic training at Lackland Air Force base, San Antonio, Texas.

Folk Dancers Will Gather In Fresno For Festival

Approximately 3,000 folk and square dancers in colorful costumes from California, Arizona and Nevada are expected to participate in the third annual Raisin Harvest festival from October 19th through October 21st in the Fresno Memorial auditorium.

The festival is sponsored by the Fresno Folk Dance council, the Central Valley Empire association, and the California Raisin Advisory board.

A square dance jamboree will be held the night of October 19th and folk dancing the night of October 20th and the afternoon of October 21st.

An international food market will be held in conjunction with the affair.

The Raisin Harvest Festival is a feature event of Greater Fresno Festival Days which also observe National Wine Festival Week.

DISTRICT ATTORNEY ROBERT K. MEYERS this week warned that any merchant offering a football betting card to a customer is liable to arrest and fine, or a jail sentence. Mr. Meyers says the state law against football betting pools will be enforced in Tulare county.

DON BURKHART, MARTIN LUBLIN WIN AT FAIR

Don Burkhardt and Martin Lublin of Porterville took a number of photography prizes at the 1951 Tulare county fair, with Mr. Burkhardt winning first and second, black and white portrait; first and third, black and white animals; second, black and white industrial and honorable mention, black and white unclassified.

Mr. Lublin won two firsts, black and white architectural, and third, black and white industrial.

Navy Needs Workers On Pacific Islands

"A critical shortage of certain types of professional and skilled workers is slowing important defense work in the Pacific Islands," Gerald Schubert, manager of the Porterville State Employment Service office, announced this week.

"The Navy needs civilian workers for assignment to important defense work at Pacific Island defense bases which are now being rebuilt and expanded to meet the demands of defense preparation in the western Pacific and far eastern areas," Mr. Schubert said. "Failure to staff these Naval Establishments with the needed workers could result in serious curtailment of planned improvements to our defense projects in the Islands."

Engineers, draftsmen, diesel equipment mechanics, auto mechanics, electricians, and many kinds of skilled craftsmen are urgently needed. Excellent wages with overseas pay bonuses, 30 days' vacation a year with pay, and other advantages are being offered to qualified workers applying for these jobs. Every effort is being made to make life in the Pacific Islands comparable to that in the United States, Mr. Schubert said.

Full information about the jobs that are open, the rate of pay, the provisions for dependents, and other facts about these jobs can be obtained at the California State Employment Service office at 302 South Main street, Porterville.

WEBB HEREFORDS WIN AT FAIR

Webb Hereford ranch cattle, shown by Ed. Webb of Lindsay, took the following awards at the Tulare county fair:

Hereford bull, junior yearling, third and fourth; summer yearling bull, fifth; senior bull calf, seventh; junior bull calf, second; Hereford female, senior yearling, second; junior yearling female, third and fourth; summer yearling female, second; junior female calf, second; pair of yearlings, fourth and fifth and pair of calves, fifth.

BILLY RAY GILSTRAP, son of Mr. and Mrs. J. E. Eastridge, Earlimart, is taking basic training at Lackland Air Force base in Texas, following his enlistment in the Air force through the recruiting office at M-Sgt. A. J. Robinson, postoffice building, Porterville.

HAROLD CORBIN, Porterville city manager, has been elected president of the South San Joaquin Division of the League of California cities.

SCOTT'S COLUMN

If you've wondered why those of us vintage 1912, more or less, are such a sad lot in the knees and ankles; if you've wondered at our spavined conditions, our sweenies, sprung hips, sway backs, and generally saggy coordination... Anne B. and Richard gave a practical demonstration of how we got that way when they flang the Charleston at the Hossocar party. Be sure to catch one of their performances... they are "keen!" (Remember when everything was?) A word of warning from experience... if you too don't want to turn out as we have, take it easy, limit yourselves, kids! FLORENCE PEAK'S BEAUTY SALON can keep your face and hair young and lovely, but nobody can conceal the results of too many Charltons! Florence's number is 107-W and don't wait 'til the last minute to call... those gals are rushed for good reason, they do wonderful jobs and specialize in hair styling the way you want it done.

Yesterday I made a new friend, a delightful little lady, an elderly cocker spaniel whose sedateness would fool you. Once in her youth she went on a week's binge that nearly alienated her family and has left a permanent mark. She found a batch of yeast dough put by for rising and ate half of it. Presently she began to swell... and burp... and whimper. The family spent the entire first night walking her round and round the yard. Ultimately she ceased to swell but not to burp and not to smell. For a solid week she exuded a beerier and beerier odor 'til nobody loved her at all. They've never had yeast rolls made at home since. Ah, youth! Wonder is she didn't bust! Somehow, she still looks half her years. I thought only PROCTORS CLEANERS had the secret of perpetual youth... and that for fabrics that they treat with their "retexing" process... exclusive with them! They give it at no cost to you to all fabrics and it really makes them like new.

This town appears to have no rules against bike riders hiking passengers. At 8:30 Monday morning someone of you nearly had two children killed on W. Putnam between the slough crossing and G St. Your son was hiking his little sister on the rack over his rear wheel. There were three cars traveling slowly, all piled up together trying to meet and get past those kids who were of course weaving in the sand on the road shoulder. Could be that the local undertakers give you a discount on a double funeral, but buying a second bike would be an even greater saving. P.T.A., 'Tention! Get some ordinance passed to put an end to hiking on bikes, I see it all over town, and then see to it that the law is enforced! Attention all clubs and organizations, the social season has begun and it's time to be calling EDWARDS STUDIO and making dates for Jeff to take pictures for the Bee. Publicity chairmen, remember to call 1385-J to tell them about that picture they'll take at no cost any time, any place your organization wants it.

It doesn't take long... a week ago I noticed the kids singing on the way home from school, little ones were "Onward Christian Soldiers," older ones were making with "School Days," big ones were spouting university fight songs. First time the kids had sung on the way home, after a bit I came to... it was Friday! You'll feel like that every day if you get CULLIGAN SOFT WATER SERVICE installed in your home. It saves money. Call Lindsay 2-4052.

Writing that Lindsay phone number always reminds me that I've never heard a good reason why this town must remain so horse-and-buggy with its phone service. Think of the new industries coming to town and bringing with them business to be carried on will wonder if they stumbled into Alice's Looking Glass World? We have theatres, cars, television, freezers for food... but no dial phones! SEARS ORDER OFFICE, at Main and Oak, (in case you can't phone 1580) is offering a mid-season special on home freezers. A 7.6 cu. ft. one that holds 266 lbs. for \$249.50 and a 4.1 cu. ft. one that holds 245 lbs. for \$185.50... that's a kitchen size. Both are "Cold Spot" make.

Alberta Brey is getting fame and — well, anyway, free meals and lots of honor... if not fortune... as a speaker. She was the guest speaker at the Riverside B. P. W. Employer's night banquet, also spoke at the Zonta meeting there! Don't think you're being cute and ask her when she aims to begin commencement speaking, she showed signs of giving me a free 2x4 right down my throat when I tried the gag. Anyway, she had fun, was treated royally and got a good early start on the vacation-like trip, cuz she installed a dish washer at home. They just stack the dishes and find them all washed and dried. Beds aren't the only trouble those people in the picture will bring. Think of the dishes! Think of them in a Youngstown dishwasher from BREY-WRIGHT LUMBER CO. and the \$100.00 they'll give you for your old sink!

Armistice Day is not far off and so far I haven't heard about a parade theme. Are the stores going to be closed? Will there be a double holiday for some people? And is anything being done about a fall festival? The spring affair was good. Seems to me that a fall harvest festival of some kind could be used. There is at least history in the air. I've seen Miss Stiner and William with their historical attitudes on and their heads together. Never too early for publicity let's be having the word soon. Time whizzes by faster every year. Halloween, Armistice, Thanksgiving, and Oh, Brother! Marie says that not all of you have been in to select your Christmas cards at BREY'S BOOK SHELF, 600 N. "D." Newest things are lovely handkerchiefs in white and colored linens from China and dainty little sachet folders (you put in your own favorite sachet) from Switzerland. Hand embroidery that is perfect. Watched Marie unpack them and some "Rowena Original" note paper. Chinese motif in colors

FOR THE LADIES

TULARE WOMAN
BAKES BEST PIE;
RECIPE IS GIVEN

Mrs. Edward Hein, a Tulare housewife, is the best raisin pie baker in Tulare county.

She proved it last Saturday when her raisin chiffon pie was judged to be the best in the competition in the "Best Raisin Pie" contest sponsored jointly at the Tulare County fair by the Tulare county chamber of commerce, the Central Valley Empire association and the California Raisin Advisory board.

Mrs. Hein's prize-winning pie won a gold cup, donated by the advisory board, which she will hold for one year. In addition, Mrs. Hein won a smaller permanent gold trophy.

Contest officials pointed out that a duplicate of Mrs. Hein's prize-winning pie will be sent to General Matthew Ridgeway in Korea.

Second place in the competition, designed to stimulate the consumption of home-grown raisins, went to Mrs. Viola Nance, also of Tulare.

John S. Knutson, Lindsay, the only male contestant, managed to capture third prize in the contest. A former cook at a Univer-

"Full Partnership
For The Job Ahead"
Theme For BPWC

Business and Professional Women the nation over have been observing National Business Women's week, so proclaimed by President Truman, in this state by Governor Earl Warren and locally by Mayor Earl Reed. This year the national slogan is "Full Partnership for the Job Ahead."

Activities of the local club for the week commenced with a Sunday breakfast at Gang Sue's at which the ministers and their wives were honored.

On Wednesday evening "Women in Uniform Day" was observed by the radio program over the local station which honored ex-service men in the community, women now in the Armed Forces and those who have recently joined. Mrs. Ethel Jensen, program chairman, had charge of the broadcast.

Ex-servicewomen who were interviewed over the air were Dorothy Owen, vice president of the local BPWC, who was formerly in the WAVES. Miss Owen is now owner and manager of the Florence Bridge Dress Shop. During World War II she served at Treasure Island and later at the Lel Monte Hotel in Monterey at the Annapolis Post Graduate school. She said she enjoyed life in the service very much, but found the transition back into civilian life was made without difficulty.

Another local woman who was also in the WAVES was Miss Vesta Wiley, now owner and operator of a cattle ranch. Miss

Wiley had the unusual experience of being the first woman stationed with 30,000 men at the Naval Training Center in San Diego where she was sent to set up facilities for 500 enlisted WAVE personnel. She highly recommended the Navy as a career for young women, and said the opportunities for advancement and security are equal to those of the men in the services. Recreational and social life she believed to be superior to that enjoyed in civilian life.

Representatives from the Fresno main recruiting office who appeared on the program were Technical Sgt. Weidenhuff, WAF and Sgt. Florence Newport, WAC. They told of opportunities in 400 different positions available for young women who enter the Armed Forces today. The three local young women who have recently joined the service are Miss Margaret Holloway, Miss Barbara Smith, who are now at Lackland Air Force base, San Antonio, Texas, and Miss Anita Blackburn, who has reported to Ft. Lee, Va., for training in the Women's Army corps.

Community projects which have been undertaken by the local BPWC include sponsoring a group of Blue Birds, with Miss Ruth Gilliam as guardian and council representative for the BPWC, and the promotion of landscaping plans for the memorial park at the northern entrance to the city. The park marks the approximate location of the site of the old stage coach station and Porter Putnam's trading post. The Business and Professional Women's club offered prizes to high school and college students last year for the best landscaping plans for the park.

Women in business and the professions who join the local

city of California fraternity house, Knutson came to the United States from Norway. Youngest contestant in the competition was 13-year-old Miss Pat Carvalho of Tulare. After the contest, Mr. and Mrs. Merle Taylor of Tulare and Delano, were hosts at a luncheon for the competitors and the eight judges.

Judges for the contest were John Reynolds of Fresno; Mrs. Allegra Taylor and J. Alan Rinehart of Tulare; Harold G. Rainwater and J. Harvey McCammon of Visalia; Glenn Tupper, Orsi; George Eaton, Dinuba, and Mrs. Kitty Roman, Pixley.

Mrs. Hein's prize winning recipe was as follows:

1 tbsp. Gelatine
¼ cup cold water
1½ cup seedless raisins
1 cup chopped walnuts
4 eggs
¼ tsp. salt
1 tbsp. lemon juice
1 cup sugar
Cook raisins until well done, let cool and drain. Beat egg yolks slightly, add ½ cup sugar, raisins, salt, nuts, and lemon juice. Cook over boiling water until of custard consistency (about 5 minutes). Soften gelatin in cold water, add to hot custard mixture. Stir until dissolved. Cool. When mixture begins to set, fold in stiffly beaten egg whites to which the other ½ cup sugar has been added. Pour into 9 inch pie shell and set in refrigerator. Top with whipped cream.

Buzzards Migrate

Annual migration of buzzards toward the south is now in progress with flocks of the birds being seen in the Porterville vicinity. Saturday night an estimated 200 roosted for the night in trees along Scenic Heights north of town, then took off in the morning.

BPW Club are automatically affiliated with the 160,000 members of the 2700 clubs throughout the nation, the largest organization in the world that is devoted altogether to promoting the best interests of employed women. They also become a part of the district and state organizations.

Local unit president is Mabel Lusk, who is associated with the Porterville offices of the County Welfare department. New members are welcome and information is obtainable from any of the officers.

SPRINGVILLE NEWS

By **WINNIE GAGE**

Mrs. Mae Wilson of Banning has returned home from a week's visit with Mrs. E. Herbert.

Mr. and Mrs. Louis Gage and children, Nancy and Clifford of Monterey spent a week with Louis' parents, Mr. and Mrs. Lyman Gage.

Sgt. Lester Herrold is home on a 30-day furlough from Eielson Field, Alaska, where he has spent the last 15 months. He was accompanied home by a friend, Pfc. Raymond Olivera of Kerman.

Recent visitors in Mr. and Mrs. A. F. Keasey's home were Mr. and Mrs. Ralph Croft of Huntington Park. Mr. and Mrs. Kilburn Donham and Mr. and Mrs. Dale Russell of Canton, Ohio.

Dr. and Mrs. W. A. Winn announce the birth of a daughter on September 20, which also was Dr. Winn's birthday.

The Springville Hobby Club held its annual picnic at Murry Park on September 14. Mrs. Ruth Shoup was hostess. Mrs. Florence Witt demonstrated textile painting and patterns as textile painting is the next project of the club.

A county-wide hobby club was organized and the following officers were elected: Mrs. Winnie Gage, president; Mrs. Eualis Carter of Strathmore, vice president; Mrs. Crystal Johnson of Springville, secretary and treasurer and membership chairmen were appointed for Lindsay, Exeter, Strathmore, Porterville, Pixley and Springville.

The object of a county-wide club is to learn new hobbies and exchange ideas and patterns and have a way to sell hand-made articles. A booth at the Tulare county fair was rented for this purpose.

Mr. and Mrs. Harry Wells from Huntington Beach spent the week at Shake Camp. They killed a four-point deer, then they spent the weekend with Harry's sister, Mrs. Jack Fees.

Mrs. Dorothy Martin from Indianapolis, Indiana, visited recently with her aunt and uncle, Mr. and Mrs. N. F. Peterson.

Mr. and Mrs. Vernon Gill and son, Brent, drove to Burbank, Monday to meet their son, Dale, who is to arrive in Burbank by plane from New York. Mr. and Mrs. Gill may take Dale to his post in Alameda. Dale is in the Coast Guards.

Mr. and Mrs. W. F. Biedebach of Los Angeles spent the weekend on their ranch above Springville. Mr. and Mrs. Aaron Queen are living on their ranch at the present.

Mrs. Frank Kebler spent last week in Los Angeles with her son, Jack and family, who accompanied her home and spent the weekend here.

The Methodist Community Church choir is being organized and will meet every Thursday night at 8 o'clock. Everyone interested is invited to come.

Mr. and Mrs. J. O. Bishop of

The Farm Tribune

Published Weekly at Porterville, California
522 North Main Street Porterville, California
John H. Keck, William R. Rodgers - Co-Publishers
The Farm Tribune was declared a Newspaper Of General Circulation on January 10, 1949, by judgement of the Superior Court of the State of California, in and for the County of Tulare.

**YOU CAN'T GET IT
IF YOU DON'T GO AFTER IT**

Conversation at last week's meeting in Fresno of the San Joaquin Valley district of the California chamber of commerce again calls to attention the fact that in so far as highway improvement is concerned, you have to go after the things you want and you have to keep beating the drum until you get what you want.

Four years ago, improvement of, and realignment of Highway 65 was indicated in the immediate future. But the Highway 65 project has been pushed back each year until at present, plan is to complete right-of-way purchases in the Porterville area by the end of this fiscal year and maybe in another three or four years, part of the highway may be actually constructed.

Principal reason that Highway 65 is constantly being pushed back is that no organized group is promoting this highway. No organized group appeared at the recent Fresno meeting; in so far as we know, an organized group has never appeared at a meeting of the state highway commission to beat the drum for Highway 65.

And it was stated almost flatly at Fresno, that until someone does start promoting Highway 65 in the proper places, support will continue to go to those several highways that are being promoted.

So, the answer is obvious — an active organization, composed of towns along Highway 65, to promote Highway 65; an organization that should stem from chambers of commerce.

But organizations are composed of individuals, and until a few individuals decide to do something about the situation, an improved Highway 65 will continue to exist only in the land of promise, in the land of the golden future.

Glendale and Mrs. G. E. Svendsen of Hollywood, were guests in the Ralph Hill home over the weekend. Mr. and Mrs. Bishop went to Oakland for a visit. Mrs. Svendsen who is a sister of Mrs. Hill, will remain for a longer visit.

Mr. and Mrs. T. C. Ernest of Chicago, brother and sister-in-law of Mrs. Jim Taber, have returned to their home after a month's visit in Springville, including four day trip to Mexico.

Mrs. Ann Baird is improving in health after a two-week siege of illness.

Home Department of the Extension service met last Wednesday at the home of Mrs. Carl Avery, the subject was "Brighten Your Home."

Mrs. Frank Kibler, Mrs. Mark Borrow, Mrs. Ollie Hall and Mrs. Earl Wilson attended the first fall meeting of the Porterville Women's club on Monday.

Visiting in the Johnny Spees home recently were their daughter, Nadine and husband, Charles Clark and Charles' mother from Point Pleasant, West Virginia, and son, Leland of the Navy. They all drove down to Los Angeles to visit another son, J. B. and family.

YUKHARU MAEDA, of Tokyo, secretary of the Youth Association Council of Japan, left this week after a visit to Tulare county as guest of Hilton Bell, superintendent of Visalia city schools, and the Tulare county Y.

county 4-H Fair each year, the Tulare County Fair, the Porterville Junior Livestock Show, Kern County Fair, Great Western Livestock Show, and the Cow Palace. He served as vice-president of the Ducor 4-H Club one year and president for two years. He graduated from Porterville High School in 1950 where he was active in sports and other activities. He was president of his Junior class and attended California Polytechnic Institute at San Luis Obispo for one term.

The National Awards Program is sponsored by a committee of businessmen with headquarters in Chicago, Illinois. A series of 25 contests are sponsored by business firms of nation-wide scope which encourages good 4-H club work.

RICHARD DEACON, PHYLLIS TOWLE WIN TOP HOSSCARS FOR BARN ROLES

Richard Deacon received a Hoss-car for playing the best male role of the season at Porterville's Barn theatre — Justice Holme in "Magnificent Yankee" — and Phyllis Towle received the award for the best female role for Billie Dawn in "Born Yesterday," at the annual Hoss-car party held Saturday night at the Barn.

Other Hoss-cars went to Rickie Keck for his role of Tom Sawyer in "Tom Sawyer's Treasure Hunt;" to Darrelyn Hart for portrayal of Alice in "Alice In Wonderland;" to Myana Tobias for her part as Aggie in "Kind Lady;" to Frank Sheldon Jr. for his supporting role as Yank in "Hasty Heart;" to Joan Tewksbury for her supporting part as Mrs. Edwards, also in "Kind Lady;"

Helen Campos for her drawing room theatre role of Pauline Maury in "Trio" and also to Miss Tewksbury for her role of Janet, in "Trio."

VALENCIAS DOWN

For the first time in about two months, prices on southern California oranges dipped downward in the week ending September 29, FOB average declining about 30 cents per box.

Cloud Seeding

(Continued from Page 1)

zona, the organization that flew for the Southern Sierra corporation last season.

Reelected last night was the original board of directors of the Southern Sierra corporation: F. R. Farnsworth, president; Bill Cloer, vice president; Ralph Jones, secretary; Clarence Bradford, Art Griswold, Howard McClosky, Pete Divizich and Dick Carleton.

These directors emphasize that unless all money is raised prior to start of cloud seeding operations, no contract will be entered into. Basis of charge is 10 cents an acre for farming land, seven cents an acre for grazing land. Checks, based on acreage, can be sent to Ralph Jones, 1411 Second street, in Porterville.

Directors also state that no individual liability exists for farmers who contribute toward expense of cloud seeding.

As stated by representatives of the Precipitation Control company, cloud seeding is not "rain making." Cloud seeding depends upon natural storms, but when natural clouds are present, the seeding operation can increase the rainfall from these clouds.
